

Cohen Campbell

(518) 418-6549 · contact@cohencampbell.dev · Kenmore, New York

SUMMARY

As a CompTIA A+ certified aspiring IT professional, I have a strong foundation in troubleshooting, systems, and technical support. I actively apply these skills through hands-on projects, which are showcased in my portfolio. I'm passionate about technology across a wide spectrum, from IT infrastructure to software development, and I'm continuously expanding my technical skill set through practical, project-based work as I work toward a career in the field.
